

P.K.M. Electric Cooperative Trust Scholarship Application

The P.K.M. Electric Cooperative Trust Corporation has been formed to offer educational scholarships to students located in the service area of P.K.M. Electric Cooperative, Inc. who are members of this Cooperative or the spouse or children of members. Funds supporting this scholarship program are received through the voluntary contributions of members of the P.K.M. Electric Cooperative, Inc.

The Trust Corporation anticipates awarding approximately twelve \$1,000 educational scholarships each year.

Eligible Applicants:

- A. Individuals in the service area of P.K.M. Electric Cooperative, Inc. who are members of this cooperative or who are the spouse or children of members.
- B. **Applicants are only eligible for ONE scholarship so if you have applied and received a scholarship before please do not apply again.**
- C. Applicants must be planning to attend an accredited post-secondary educational institution in pursuit of their initial post-secondary educational degree. These institutions could include: technical colleges, universities or colleges. Applicants could include:
 1. High School seniors
 2. College students actively enrolled in an accredited institution in pursuit of their initial degree
 3. Non-traditional students who are initiating or resuming their education in pursuit of their initial post-secondary degree. Non-traditional students would include “older than average students” or individuals who did not begin a program after high school. This could also include students whose first post-secondary degree was interrupted.
